

[GOYORK2045](#) is the 2021-2045 Metropolitan Transportation Plan, a long-range plan that looks at all transportation issues in York County. We are currently in the beginning of the final public comment period, and we are reaching out to individuals, organizations, and businesses in an effort to inform as many people as possible. We ask that you watch a two minute [overview video](#), review the [full document](#), and complete a five minute [survey](#).

Two virtual open house meetings are scheduled for May 11th and 20th. More information can be found on the attached flyer.

Since we all have a stake in the transportation system, we also ask that you share the GOYORK2045 flyer, [survey](#), and [website](#) with your friends, family, and coworkers.

The survey and public comment period are open until the end of the day on June 9th, 2021.

Thank you for giving your comments on GOYORK2045!
