Date: September 3, 2019
From: Land and Sea Services LLC
To: municipalities served by Land and Sea Services
Subject: 2020 prices

We have been requested to provide the prices for the 2020 year. Sorry for any delay we may have caused in your budget process. Because of the continued increases in our fixed costs and not having raised our fees for the past five years. This year we have had to increase some of our fees. A brief summary of the changes is provided: (Note: not all the listing may pertain to your municipalities since our agreements may differ with each one of you.)

- o The writing of permits will remain at twenty dollars
- o Our hourly rate charge will go from forty dollars to forty-three dollars
- o The residential fee schedule has the most changes with the increase being in the smaller projects and individual inspections.
- o The commercial fee schedule has had very little change.

From the LAS Team, we all would like to thank you for the work you have given to us over the years. Should you need anything from me let me know.

Dear Board of Supervisors,

The Park and Rec Board would like approval to increase/add additional park fee usage as listed below:

1. Increase the kitchen use deposit at Ponderosa from \$25 to \$50. The current \$25 deposit will not cover the cost to clean the kitchen.
2. During tournaments, a charge for pavilion usage will be charged per day of tournament for each pavilion since it cannot be used by the public during these events and will be used by the participants of the event. Current charge is \$50 per pavilion at both Ponderosa and Century Lane but there are 2 pavilions at Century so costs for tournaments per day would look like this:
 - Ponderosa - \$50 (per day)
 - Century Lane - \$100 (per day)
3. During tournaments, a charge for the additional trash would be \$50 per day per park to look like this:
 - Ponderosa - \$50 (per day)
 - Century Lane - \$50 (per day)

Currently no fees are being charged for tournaments. For a 2 day tournament using both parks the total charges would be: \$500

Thank you!!
