Holy Spirit EMS—A Geisinger Affiliate is the designated provider of both Advanced Life Support (ALS) and Basic Life Support (BLS) services for your area. We provide high quality EMS services and transport patients to all area hospitals.

Why should I become a subscriber?

Your subscription assures that Holy Spirit EMS will have the staff, vehicles and equipment required to provide around-the-clock emergency medical services for you and your family.

If I have health insurance, why do I need a subscription?

Most insurance companies do not pay 100% of the charges for ambulance or paramedic services. Your EMS subscription covers any co-payments and 50% of your insurance deductible. Non-subscribers are responsible for full payment of all applicable charges, which often can exceed \$1,000 per trip. In addition, if you are a subscriber and need to have non-emergency transportation by wheelchair van or invalid coach, you will receive a 20% discount.

How does Holy Spirit EMS get reimbursed if I am transported to the hospital?

If you are a subscriber and are transported to a hospital by Holy Spirit EMS, we will submit a bill to your insurance company. We will waive any co-payments and 50% of your deductible no matter how frequently you need our services.

What should I do if my insurance company sends a check to me for payment of services provided by Holy Spirit EMS?

Reimbursement checks, or the same amount, must be sent immediately to Holy Spirit EMS. If this is not done, your subscription will be terminated immediately, and you will be held responsible for payment of all outstanding balances.

What is NOT covered by a subscription?

The following services ARE NOT covered by your subscription:

- Transports which do not meet medical necessity criteria;
- Alternative modes of non-emergency transportation, such as wheelchair van and invalid coach transports; however a 20% discount is applied for subscribers.
- Certain non-emergency ambulance transports, which may be denied or deemed outside the limits of your insurance coverage;
- Any charges related to excessive mileage or other non-covered charges for transports, which are based solely on patient and/or physician preference.

How can I subscribe?

Simply complete the enclosed subscription application and return it with your payment or subscribe securely online at www.holyspiritems.org.
