

YORK COUNTY
SOLID WASTE AND REFUSE AUTHORITY

2700 Blackbridge Road, York, PA 17408-7801 Phone (717) 845-1066 Fax (717) 843-1544

NOTICE:

Saturday Operations and Electronics Recycling at the York County Resource Recovery Center to Resume May 2, 2020

The York County Solid Waste Authority has reinstated residential and commercial waste hauler account holder deliveries to the York County Resource Recovery Center (RRC) on Saturdays beginning May 2, 2020. Residents may deliver waste to the RRC M-F from 8 a.m. to 4 p.m. and Saturdays from 8 a.m. to noon. Commercial waste haulers who are account holders may deliver waste to the RRC on Saturdays from 6 a.m. to noon and M-F from 6 a.m. to 5 p.m. now through September 11, 2020.

Residents may also begin delivering electronics to the facility on Saturday, May 2 and every Saturday thereafter from 8 a.m. to noon and on weekdays M-F starting Monday, May 4 from 8 a.m. to 4 p.m. Electronics must be a separate delivery from the delivery of waste in order to participate in the free residential electronics recycling program.

The Authority recognizes that garbage volumes increase in the spring due to yard waste clean-ups and spring cleaning in general, and we are reopening Saturday operations and all services including our free residential electronics recycling program to offer residents an environmentally responsible way to manage their waste. Please be advised that we strongly encourage residents to consider holding on to their materials and staying safe at home until the Governor lifts the Stay at Home order for York County. Anyone visiting the RRC must wear a mask or face covering to gain access to

the site and once onsite, must maintain social distancing by staying at least 6 Ft. apart from others on site.

The Authority facilitates responsible solid waste management through an integrated strategy that emphasizes waste reduction, education, recycling and resource recovery. The Authority is the owner of the York County Resource Recovery Center in Manchester Township; and owns and operates a Small Load Drop-off Facility, a Recyclable Materials Drop-off Center and an Education Center.

#

Thanks,

Mindy Waltemyer
